The screenshot shows the WeVideo interface. At the top, there is a navigation bar with 'wevideo' logo and tabs for HOME, PROJECTS, MEDIA, and VIDEOS. On the right of the navigation bar are buttons for UPLOAD, a help icon, a notification bell with '3', and a user profile icon. Below the navigation bar, there is a secondary bar with a hamburger menu, a project name 'STEVE JOBS DOCUMENTARY 2016', 'THEMES', 'FINISH', and a 'SEND FEEDBACK' button. The main content area is titled 'Video Status' and includes a 'Clear all done' link. On the left, there is a video thumbnail of a man at a desk with the text 'Ready in 01:38'. To the right, the video title 'Publishing Steve Jobs Documentary 2016 (01:58)' is shown above a progress bar that is 79% full. Below the progress bar, there is a 'DOWNLOAD' button with 'Ready in 01:38' underneath it. To the right of the download button, there is a 'VIDEO LINK' section with the URL 'https://www.wevideo.com/hub#view/743913318'.

Click on the **Download** button.

This screenshot shows the WeVideo interface after the video has been published. The progress bar is now 100% and labeled 'Done'. The video thumbnail on the left now features a play button icon. The 'DOWNLOAD' button is highlighted with a red rectangle, and a sub-button labeled 'DOWNLOAD VIDEO' is visible below it. The 'VIDEO LINK' and its URL remain the same as in the previous screenshot.
