

# Working on Multimedia/Movie Project at Home

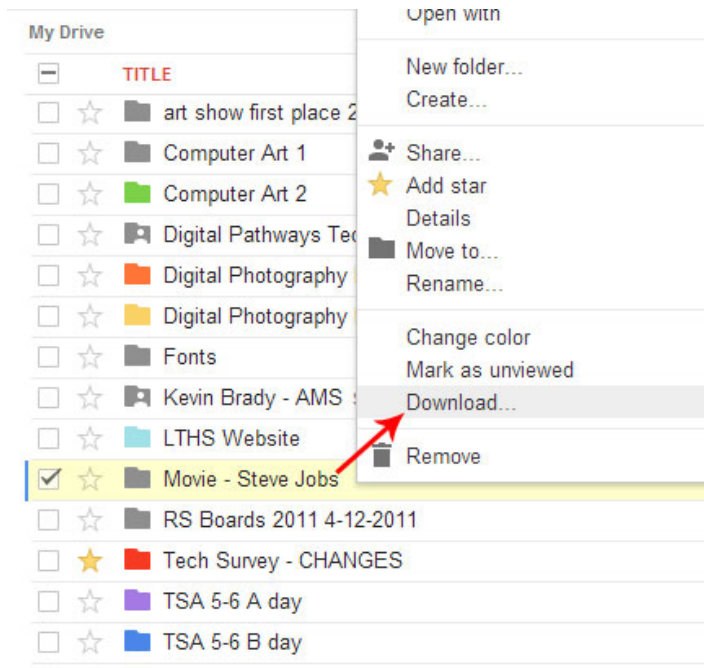

Here is what you need to do...

Make sure your Movie folder with ALL files needed (Premiere Movie project, images, music, video clips) is saved inside this movie folder.

**Upload** this folder to your **LTHS Google Drive**. *You could also save this folder to a flash drive and bring it home.*

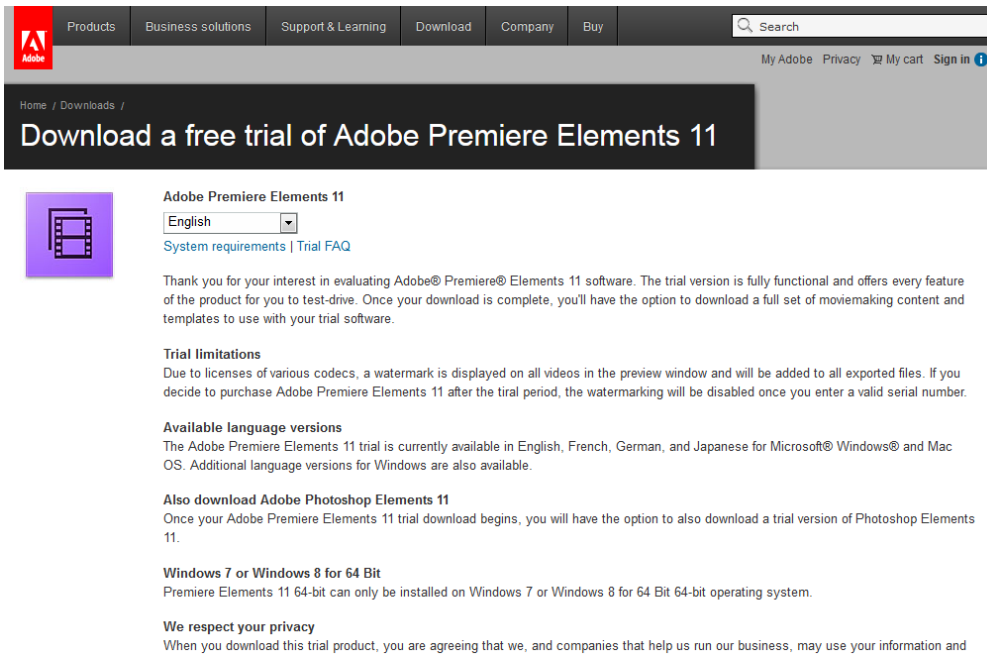

At **Home** download this folder to your computer. You **CANNOT** work on the project if you don't download this document.

Download a trial version (30 days full functioning) on your computer at **HOME**. Use this website to download.

## Download a free trial of Adobe Premiere Elements 11

Adobe Premiere Elements 11

English

System requirements | Trial FAQ

Thank you for your interest in evaluating Adobe® Premiere® Elements 11 software. The trial version is fully functional and offers every feature of the product for you to test-drive. Once your download is complete, you'll have the option to download a full set of moviemaking content and templates to use with your trial software.

**Trial limitations**

Due to licenses of various codecs, a watermark is displayed on all videos in the preview window and will be added to all exported files. If you decide to purchase Adobe Premiere Elements 11 after the trial period, the watermarking will be disabled once you enter a valid serial number.

**Available language versions**

The Adobe Premiere Elements 11 trial is currently available in English, French, German, and Japanese for Microsoft® Windows® and Mac OS. Additional language versions for Windows are also available.

**Also download Adobe Photoshop Elements 11**

Once your Adobe Premiere Elements 11 trial download begins, you will have the option to also download a trial version of Photoshop Elements 11.

**Windows 7 or Windows 8 for 64 Bit**

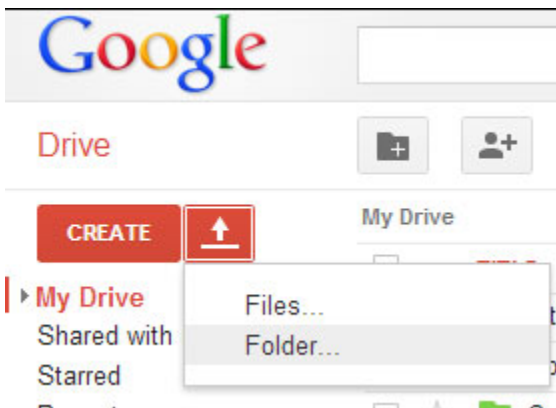

Premiere Elements 11 64-bit can only be installed on Windows 7 or Windows 8 for 64 Bit 64-bit operating system.

**We respect your privacy**

When you download this trial product, you are agreeing that we, and companies that help us run our business, may use your information and

Open **Premiere Elements**, locate your **Movie folder** you downloaded from your Google drive and find your **Premiere Project** inside this folder and work on your project.

After you have finished **YOU MUST** upload this Movie folder back to your **Google Drive**. *You could also save this folder to a flash drive and bring it back to school.*

Once you come back to school we need to download this folder from your Google drive to your **Z:drive** and you can continue to work on the project.
